Can I set up a Payment Plan?

- Yes. The Cashier’s Office offers an annual and semester payment plan for students who do not have the full resources to cover the cost of their bill.

  **Annual Plan**
  A TuitionPay Plan is available through Higher One which enables you to pay all or part of your annual costs in ten interest free payments. The payments are made from June until March.
  The plan amount needs to be set up for the total of your Fall and Spring semesters because one-half of the plan amount will be applied to your Fall bill; the other half to your Spring bill.
  There is a $55 enrollment fee. For more information on the plan go to: tuitionpaymentplan.com

  **Semester Plan**
  A Semester Payment Plan is available through Gannon’s Cashier Office which enables you to defer up to $2,500 per semester. There is a $30 set up charge. The plan can be set up in the Cashier’s office or online through the Student Account Center on GUXpress.
  The deferred amount plus the setup charge are divided equally into three payments. Fall semester payments are due on the 20th of September, October and November. Spring semester payments are due on the 20th of February, March and April.
  Please contact the Cashier’s Office regarding payment plan options for the Summer term.

Why isn’t my private educational loan deducted from my bill?

- If your private educational loan is not deducted on your bill, you need to contact your lender to see if there is a problem. Your loan will be deducted as Anticipated Aid on your bill once it is finalized.
  You need to apply for your loan at least three to four weeks before the due date because it usually takes that amount of time for processing.

What should I do if I am receiving an Outside Scholarship?

- Provide a copy of the award letter or the actual check to the Cashier’s Office so the amount can be deducted from your bill.
What if I have Company/School District Reimbursement?

- Gannon will let you sign an agreement to defer the portion your company/school district will reimburse. The agreement works like this:

Students who receive 100% reimbursement need to make a $100 down payment **per semester**. Students who receive partial reimbursement must pay the portion not covered by their employer. In either case, the down payment and a completed Reimbursement Agreement Form must be submitted to the Cashier’s Office by the semester due date. The balance is deferred for 30 days (45 days for school district reimbursement) from the last day of the semester. Any student who fails to make payment in full by this date will be liable for a $50 late fee.

Reimbursement Agreement Forms are available on GUXpress on the Student Account Center.

What should I do if I am using a College Savings Plan? (ex: 529 Plan, TAP)

- You should make arrangements to have the funds sent to the University before the semester due date. If the funds will be disbursed beyond the due date, provide the Cashier’s Office with a copy of the fund request indicating the amount that will be received.
